**GPS:** 50.100185, 14.469696

## How to find our parking place:

From Invalidovna metro station, follow Sokolovska street towards the Olympik hotel, at the traffic lights turn left into U Rustonky street and immediately cross the intersection. You need a yellow complex. Follow the fence with advertising signs, on the right you will see a barrier. Go inside the complex and walk along the central alley straight to the end. There you will see our parking with scooters.

Waiting for you!
